

R Rooster

Rr Rr Rr Rr Rr Rr

Materials:

white construction paper copy
of a rooster head pattern
from page 75
white construction paper
red construction paper circle
shallow pan of brown tempera paint
crayons
scissors
glue

Directions:

Color and cut out the rooster head. Glue the circle to the center of the construction paper; then glue the head in place. Next, press your hand into the paint and make a print on the white paper to make a tail as shown. Make a second print on the circle so it resembles a wing. Finally, use a crayon to draw legs and feet.
